

Telulah Park

Skate Park Rules and Regulations

1. The skate park is an “at-your-own-risk” facility.
2. The skate park is available for all wheeled activities. Motorized equipment is not allowed.
3. Wheel activities are high-risk activities. Know your ability and ride accordingly.
4. Personal protective equipment (*Helmets and protective gear*) is highly recommended.
5. Inspect the surfaces before you begin and remove any trash, debris or objects that may prevent a smooth, safe ride. Report any facility damage immediately to the Parks, Recreation and Facilities Management Department at 920-832-5514.
6. Riding when the skate park is wet, raining or during routine maintenance periods is not advised.
7. Additional ramps, jumps or obstacles are not allowed in the skate park. Modifications to the surface or features are prohibited.
8. Telulah Park is open from 5:00 am to 11:00 pm. Use of the skate park is allowed only during posted park hours.
9. Keep food and drinks, other than water, outside of the park perimeter.
10. Possession of alcoholic beverages or controlled substances is prohibited.
11. Pets, amplified music and glass bottles are not allowed in the skate park.
12. Organized events at the skate park require the prior approval of the Parks, Recreation and Facilities Management Department.
13. The Parks, Recreation and Facilities Management Department reserves the right to close the park for routine maintenance or repairs.
14. Failure to adhere to the rules and regulations may result in loss of facility privileges and/or citation.

Bicycle Checklist

1. Only BMX or Freestyle Bikes are allowed in the skate park. Mountain bikes, tandem bikes, 10 speeds, trail bikes or other types of bikes or riding toys will not be allowed.
2. Handlebars must have end caps or grips that cover the end of the bars.
3. Pedals must be aluminum or plastic.
4. Pegs may be used as long as they are either plastic or aluminum with capped ends. Pegs with holes, grip tape, grooves, or any other type of surface other than smooth aluminum with capped ends or plastic may not be used.
5. All bikes must have at least one functioning brake.
6. Bikes with kickstands will not be allowed.
7. Bikes with multiple gears, and/or moving suspensions are not allowed.
8. Bikes with toe clips, training wheels, baskets, or other types of carrying compartments will not be allowed.
