Welcome to our Spring/Summer Activity Guide!

Every day the parks and recreation staff are working hard to make our community a better place to live, work, and play. We are a team committed to providing safe environments for all our participants while we navigate this pandemic. While the past year has certainly provided us with challenges, it was also an opportunity to engage with our community on a different level through new creative/innovative programming and to connect people with nature by utilizing our park amenities more than ever! With program changes being likely, we have decided to not print the guide but to offer it digitally only. We encourage you to browse through the guide and watch our social media pages and website for the most up-to-date information on our programs, events, and parks.

Appleton Parks and Recreation activity guide is published two times per year: Spring/Summer and Fall/Winter. Readers can also view our guide online or visit our website at appletonparkandrec.org where recent changes or additions can be found.

CHALLENGER SPORTS BRITISH SOCCER CAMP
Challenger Sports British Soccer Camp is one of the most popular soccer camps in the country, and we are excited to partner with Challenger once again this summer to bring this great camp to Appleton! In addition to helping develop your child’s core soccer skills and understanding of the game, Challenger’s philosophy encourages children to: become independent learners, develop socially, and to better understand the meaning of respect, responsibility, integrity, sportsmanship and leadership. Challenger Sports British Soccer Camp has identified the key techniques and skills that players need to work on and master to reach their true potential.

TRAILS
An extensive network of trails throughout the Fox Cities offers a variety of recreational opportunities and connections to the various communities. Many of the trails are paved off-road trails, offering the opportunity to walk, bicycle, and skate on hard surface trails. Some segments are sidewalks along local streets that provide connections to the paved, off-road trails. The " Trails of the Fox Cities" map identifies the trail program offered throughout the Fox Cities. An interactive map is available on our Parks and Recreation website www.appletonparkandrec.org or you can pick up a hard copy at the City Hall 1st Floor Customer Service Center at 100 N. Appleton Street.
