RECITAL SEASON

We are getting closer to the recital, which means there will be a lot of information coming out in the next couple months. Please make sure to visit our recital webpage weekly to get the most updated information. Scan the QR code for recital updates.

Moving forward, we will be focusing more on choreography for the dance performance. It is important that all dancers are consistently attending class throughout the end of the season. The dance instructor and dancers are relying on this team effort to ensure a fun and enjoyable dance recital.

PICTURE WEEK

Picture week is scheduled for March 18–21. Pictures will be taken during your child's regularly scheduled class time. Photo pricing sheets will be distributed that week. Dancers are to be dressed in full costume, including tights when they arrive to class. For those who participate in more than one class, wear the costume for their first class of that night. Dancers can do their hair and makeup however they would like for pictures. If you have questions on how your child's costume is worn along with any accessories, etc., please talk with your child's instructor. If you have special picture requests (i.e. sibling pictures) please communicate this with your child's instructor prior to picture day.
