Please enter North High School using the back entrance by the commons area. There will be staff directing where to go. Students should arrive to North High School 30-minutes prior to the show time. All students will remain with their assigned classes until the show is completed. To ensure the safety of all our dancers, only volunteers and staff are allowed behind the stage. All students will sign-in/sign-out during each show. Students are asked to leave between shows. Please do not bring in any food or drinks in the staging areas or auditorium during rehearsals and recital.

DVD Information: DVD forms will be handed out during the last week of class. DVDs can be purchased by going online (www.championvideoonline.com) or by mailing in the form. We will also have forms available during rehearsals. The deadline to place your order is before the recital performance date.

VOLUNTEERS: *If you are volunteering during the recital, we ask that you come 45-minutes prior to start of each rehearsal or recital show time. We will have an informational meeting and assign your classes at that time. We will send you a separate email detailing more information. All volunteers must complete an online application, background check and complete the volunteer waiver form. (<https://tinyurl.com/recitalvolunteer>)*
