

APPLETON PARKS AND RECREATION

COVID-19 UPDATE

UPDATE: March 20, 2020

Appleton Parks and Recreation wants to keep you informed as we navigate these unprecedented times. Here is our latest update on park usage, rentals and programs during the COVID-19 state of emergency.

Park Usage

Outdoor park amenities continue to be open for your use during the COVID-19 state of emergency. We recognize the importance of exercise and family time routines during these challenging times; however, be aware we do not sanitize equipment in the parks. We encourage you to continue following the public health recommendations of social distancing and avoidance of gatherings and group activities.

Park Pavilion and Scheig Center Rentals/Reservations

Please note all park pavilion and Scheig Center reservations are unavailable until further notice. If you have an upcoming rental our staff will be contacting you regarding your options.

Parks and Recreation Programs

Appleton Parks and Recreation has suspended all programs until further notice. We will continue to evaluate the situation daily as it relates to the status of upcoming programs. Please see the list below for all current programs impacted by this decision. Separate communication will be sent out to participants regarding program reimbursements as necessary.

Programs suspended until further notice:
