Performance Review

Pierce Park Pavilion
May 10th-13th

We are excited to announce our dancers will be performing at an outdoor venue at the end of the season.

Dancers will be performing during their regularly scheduled class times.

We will allow 4 spectators per dancer.

This event is FREE, no tickets will be sold!

We will have flowers for purchase as well as a photo opportunity.

Classes have resumed virtually. We will re-evaluate our progress this month to determine if it is safe to return to the studios.

Please remember dress code is enforced through our virtual learning experience. If you have questions about dress code please visit the UDA webpage for a list of appropriate attire and hairstyles.
