November 29th-December 2nd

.....
NO CLASSES
December 20-31

Come support UDA and watch the Christmas Parade Tuesday November 23rd at 7:00 located in downtown Appleton

We have purchased all the costumes for the 2020-21 recital! In order to ensure everyone has a costume in time for the recital, we will be trying on the costumes as soon as they arrive. Please have your child wear a leotard so they can easily slip the costume over it to try on.

We will still have the kids try on the costumes regardless if everyone in the class has their costume or not. We do this so that we have time to make exchanges. We do our best each year to select the closest size according to the vendor's measuring guidelines.

Please note – if the costume is a little small or big, we typically keep the costume and ask the parents to see if they can tailor it. We prefer to keep the costume and have minor alterations done, because we are not always guaranteed the exchanged costume will arrive in time for the recital.

As always, we appreciate your understanding and patience as we work through the costume process each year!
